

Family Partnership Care Management Coalition Stakeholder Participation Plan

The Family Partnership Care Management Coalition (FPCMC) has formed a Communications Subcommittee to establish a mechanism for ensuring stakeholder involvement and input into the planning process. Committee members are:

Joan Kettermann – Sheboygan County
Mike Bloedorn – Washington County
Bob Haupt – Ozaukee County
Kathy Ryan – Dodge County
Elaine Reis – Lutheran Social Services
Kristin Jeffries – Elder Care
David Sievert – Community Living Alliance
Phil Davis – TMG

The initial tasks of the Communications subcommittee will be to develop the process to conduct a stakeholder analysis for the region and to formulate an outreach plan for stakeholder education, input and involvement.

The FPCMC will also invite a representative of the UW-Extension to attend our steering committee meeting to determine how the Extension can assist.
